The Colors of Becoming

We believe becoming is a colorful business.

Some days call for courage. Others require curiosity, confidence or the quiet strength to begin again. Our colors celebrate the many ways girls and women grow, express themselves and make their mark on the world.

DIFFERENT SEASONS. SAME YOU.
EVERY SHADE BELONGS.

Audaciously Her

CONFIDENCE | SELF-EXPRESSION
BOLDNESS | JOY

This vibrant pink is the courage to take up space. It's the voice that speaks, the ideas that shine and the refusal to be small.

It's the part of you that says:

I am here. On purpose. ♡

Main Character Energy

CREATIVITY | COURAGE
ACTION | POSSIBILITY

This tangerine orange is the spark. It's curiosity, imagination and the courage to try. It's the energy to move, create, explore and keep showing up.

It's the part of you that says:

Let's try. Why not?

Rooted & Rising

GROWTH | WISDOM
SELF-TRUST | RESILIENCE

This deep botanical green is our grounding. It's knowing who you are, honoring where you come from and growing without losing yourself along the way.

It's the part of you that says:

I am becoming and I am enough. ♡

Making Waves

CURIOSITY | FREEDOM
CONNECTION | OPEN MINDS

This vibrant turquoise is the adventure. It's asking questions, seeking new perspectives and embracing all the places you can go. It's the courage to explore, to be different and to create a kinder, more expansive world.

It's the part of you that says:

There's more to discover.

Room to Bloom

OPENNESS | REFLECTION
NEW BEGINNINGS | POSSIBILITY

This soft white is the space. It's clarity, breath and the beauty of a fresh start. It reminds us that rest, reflection and simplicity are not empty—they are essential. In this space, new ideas, dreams and versions of you can take root.

It's the part of you that says:

I can begin again. ♡
