The Royal Court Has Questions

A Conversation Companion

Questions of Great Importance (Allegedly)

- If you could have a completely useless royal title, what would it be and why?
- What everyday thing do you think would be so much better if it were fancier?
- If you ruled for a day, what would you declare a royal holiday?
- What's one thing you secretly think you'd be really good at?

A More Distinguished Conversation

Confidence — When do you feel most like yourself?

Creativity — What's an idea, project or dream you'd love to explore?

Courage — What's something new you'd like to try, regardless of the outcome?

Compassion — How can you show kindness, support or understanding in a meaningful way?
